STATEMENT OF FACT

Applicant seeks to install a 12'x 3' (36 sq.ft) sign at a height of 26' above grade with direct lighting installed overhead.

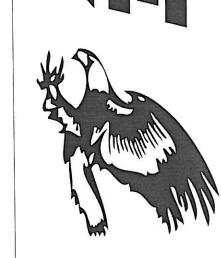

ISSUE

- 1. Section 225-9 of the Town's Code requires a site review by the Planning Commission.
- 2. Section 225-38 of the Town's Code restricts sign height to 20'max above grade. The proposed sign is 24" above grade and 26' to the top of the lights.
- 3. In accordance with section 225-37 (B) (3) of the Town's Code, the size of the sign (36 sq.ft) will comply due to the building being located 50' from the roadway.
- 4. The sign was previously considered and approved by the Planning Commission on April 3, 2012 and the Board of Adjustment on April 24, 2012 (Petition 12-5). This sign must be reconsidered by both committees due to changes in the construction of said sign.
